## Kalevala Miti Incantesimi Eroi Grande

**invito e cartella stampa - exhibart** - migliori saggi: il kalevala o la poesia tradizionale dei finni. cosa rende il kalevala tanto affascinante? probabilmente il fatto che i suoi eroi più che spadaccini e guerrieri sono maghi e cantori in grado di governare le forze della natura con incantesimi e melodie. non ha caso i protagonisti sono tutti possenti maghi e sciamani.
