**ffoormms ooff ppooeetrryy - bucks county community college** - cinquain despite the french name, the cinquain is actually an american poem influenced by the japanese haiku. cinquains are usually light verse used to express the brief thoughts or **the seven lost secrets of success - tap with brad** - several people helped me create this book. thanks to mrs. caples, wife of the late copywriting king john caples, fo. r sharing a moment by phone that made my eyes well up in tears.
